

In just a few days, we will meet over 2,600 dancers at the Kielce Dance Theater and together we will organize the most beautiful event of the Performing Art IDO styles!

We, as an organizers, are looking forward to Dancers, Team Captains and Guests. We ask for your cooperation in communication, organization and arrangement to ensure the satisfaction of the dancers and the smooth running of the competition.

WARDROBE

In the folders you will find a wardrobe plan broken down by each participating country. Depending on the day, individual countries may have different wardrobes for their using. Dressing rooms are not locked and participants are responsible for the things left in them. In each of dressing rooms there are chairs, mirrors and access to electricity. Hairspray and other cosmetics may be used in each dressing room, paying special attention to not soiling the rooms.

BEAUTY ZONE

is located in the dressing rooms, where the dancers will be able to prepare and take advantage of the electricity. There are also mirrors, tables and chairs.

! Attention !

Please do not use electricity for cooking, ordering meals in the corridor, bringing takeaway food or eating meals outside the room.

MEALS

A dedicated catering offer is available on the website and at the catering operator.

GENERAL INFORMATION

Upon arrival at check-in, please allow the dancers to stay on the bus or outside. You will receive all information, starting numbers and all entry wristbands. Dancers must wear closed wrist bands. Then they can go in and out of the room whenever they want.

PINNEAPLE MEDIA is our official photo and video partner. Their stand will be located in the foyer of the main hall, where check in office is located. There you can buy their official content.

FINE DE SIGNE is our official partner for event t-shirts and sweatshirts. You will also find his stand on the ground floor, close to check in. We encourage you to buy souvenir clothes.

TO THE TOP the new brand in the field of clothes will also appear on the ground floor with its tops. It is worth seeing what the new European brand of training clothes has to offer.
